Quantitative Economic History

Bayreuth, 03.12.2024

A research team at the Chair of Empirical Macroeconomics and Family Economics (VWL I) and the Chair of Quantitative Economic History (VWL VII) is looking to fill a position as a

Student Assistant (HiWi)

as soon as possible. The position is limited to **12 months**, with a workload of **20 hours per month**. Your primary responsibility will be to assist the two postdoctoral researchers – Dr. Bang Nguyen and Dr. Yasemin Özdemir – in the research project *Exploring Gender Pay Gap in Science*. This position is funded by the BMBF-Project *GO Forschung* (Gender Offensive Forschung) at the University of Bayreuth.

Who we are looking for:

- A student at the University of Bayreuth (in any program)
- Strong interest in Economics, Economic History, and the topic of the Gender Pay Gap
- Some experience working with data
- An independent and diligent working style

What we offer:

- Flexible working hours
- Insights into academic research
- A collaborative and supportive working environment
- Compensation based on standard rates.

If you are interested, please send your application (a one-page cover letter, CV, and current transcript) to Dr. Bang Nguyen at bang.nguyen@uni-bayreuth.de. The application deadline is **January 15, 2025**.

Candidates with disabilities will be given preferential consideration if equally qualified. The University of Bayreuth is committed to increasing the proportion of women in research and teaching and strongly encourages qualified women to apply.

We look forward to your application and are happy to answer any questions you may have!
